

# Homeschool Sailing classes in September 2026

The DSSA will be hosting 6 days of sailing classes in September from 12pm-3pm each day for ages 7-17 and open to all skill levels.

The classes will be taught by DSSA certified sailing instructors and course material will follow the DSSA Youth Camp material listed on our website. Choose individual days if you'd like to test the waters or to fit your schedule or sign up for all 6 days! The goal of these classes is to take advantage of the wonderful September weather and introduce basic sailing skills, terminology, and safety on the water to homeschooled students.

We specialize teaching sailing to different ages and skill levels at the DSSA sailing pier while catering to every student's wants and needs similar to our youth camps during the summer. We achieve this by having multiple certified instructors and a fleet of sailing boats ranging from stable beginner boats to advanced racing boats. By the end of lesson 3 students will be familiar with sailing terminology and basic skills along with being able to or close to sailing independently or with a crew of other students.
